Ajuntament de Marratxí

Dear participant of the VI BICMA (Bienal Internacional de Cerámica de Marratxí):

Congratulations! According to rule No. 7 of the contest, I am pleased to inform you that your work submitted to the competition has been chosen as a finalist by the Selection Committee. Therefore, your work opts to our two awards in addition of being included in the catalog of this contest.

In accordance with rule No. 9, we remind you that your creation must arrive to S'Escorxador Marratxí between the 12th and 30th of September 2016.

It is therefore necessary that, as soon as possible, appropriate arrangements be made to insure that your piece of art arrives within the dates indicated above.

The Ajuntament of Marratxí, has as collaborator of the event the transport company MRW. Should you decide to make use of this transport company, the following two paragraphs A) and B) indicates how to proceed.

A) Work selected from the European Union (EU).

Thanks to this collaboration, all those selected in the EU can contact with MRW via email transito@mrwbaleares.com to carry out the shipment.

In the case that you decide to make the shipment to Marratxí with MRW we inform you that:

- The return of the works exhibited at Marratxí to any point in Spain, if it is done through MRW, will not have any cost to the owner of the work. MRW will cover 100% of the costs.

- The return of the works of art exhibited in Marratxí to any point of the European Union, if it is done through MRW, will have a discount of 25%.

B) Work selected from outside of the EU.

The selected artists who do not belong to the EU should contact any transport company in their respective countries of origin. The return of the works of art exhibited in Marratxí to any point outside the European Union, if it is done through MRW, will have a 15% discount. In this case, you should contact with MRW via email transito@mrwbaleares.com.

The guidelines for sending works of art are included in rules No. 13, 14 and 15 of the VI BICMA, we suggest a meticulous reading before implementing them.

In addition, to avoid problems with customs, it is necessary that in a visible manner the packaging includes:

- An image (one or more) of all parts of the work of art.
- A proforma invoice including the value given in the contest's application.

Once your work has been sent, we would appreciate that you email us at Bicma2016@gmail.com the following information: consignment number and the name of the transport company that has been used to make the shipment.

The package should be sent to the following address:

Ajuntament de Marratxí - S'Escorxador Marratxí (Sala d'Exposicions)
